Property Management Authorization Form

Effective April 15, 2006, we no longer allow property management companies to make changes or additional charges to your garbage account without written authorization on file. In order to provide the most efficient service to you, and to your property management company, we ask that you provide us with the following updated information for our records.

Name _____

Service Address _____

Telephone Number _____

Management Co _____

Please check one of the following:

- I authorize the property management company no access to my garbage account
- I authorize the property management company to only be informed of service related problems and account status. They are not allowed to charge or make changes
- I authorize the property management company full access to my garbage account
example: allow changes; allow charges, information of service levels

Signature _____ Date _____

Please return this authorization form to our office at your earliest convenience.
